European Union

With the concurrence of the Council acting by unanimous vote, the High Authority may assist by the same means in financing works and installations which contribute directly and principally to increase production, lower production costs or facilitate marketing of products subject to its jurisdiction. To support the economic reconstruction of Iraq, 19 European Union members have concluded agreements to forgive from 80% Paris Club terms to 100% of Iraqi official debt, and the United States forgave 100% of its outstanding official debt to Iraq.

Corruption puts the future of the European Union at risk

These frauds were revealed by an internal auditor,.

Browse by EU Annual Reports

The European Union In 1993, the European Community was rolled into the European Union EU when the went into effect. Except as provided in paragraph 3 below, any transaction which would have in itself the direct or indirect effect of bringing about a concentration, within the territories mentioned in the first paragraph of Article 79, involving enterprises at least one of which falls under the application of Article 80, shall be submitted to a prior authorization of the High Authority.

Workers' right to information, consultation and participation

The split in the was contained only by Wilson's promises to renegotiate Britain's terms of membership and to hold a referendum on the results.
