The Roots of Hinduism: The Early Aryans and the Indus Civilization

This would show that Bharatas particularly liked that word, but we need clear hints that the word ārya was used by them for Bharatas or Pūrus only. Anyway, the importance of his work is in the reconstruction of the tripartite ideology in IE cultures, something quite fascinating and various. By that time, language seems to have been invented.

The Roots of Hinduism: The Early Aryans and the Indus Civilization

On dialectal variation in the Vedic language, Witzel 1989, 1990, 2000 has proposed ambitious hypotheses on early and late Vedic. However, eventually the Indo-Aryan language superseded many tribal languages because of the socio-economic dominance of its speakers. Things will become apparent after this.

Shrikant G Talageri: The Recorded History of the Indo

Human genetics show that, 50,000 years ago, the Africans came to the deep south in India from where they passed through the Andaman-Nicobar Islands to Indonesia and later to Australia. The Caucasoids are generally of tall stature with long faces, and show well-developed chins, fair skin, and narrow but prominent noses.

Indo

Gothic dative plural sunum 'to the sons' and Old Church Slavonic instrumental plural syn? The aristocracy of mittani kings shows the name of indo aryan roots.
