### Who falls for rumor? Influence of personality traits on false rumor belief

The stock markets are rigged, the banks operate in a way that is non-commercial, and the yuan is still strictly non-convertible. While the fallout from previous Chinese dynastic power struggles was largely limited to within its borders, the global impact of a twenty-first century succession crisis would be immense.

### Investigating the Effect of Personality, Internet Literacy, and Use Expectancies in Internet

They were extremely shy---timid even---modest and naive.

### Who falls for rumor? Influence of personality traits on false rumor belief

Personality profiles and the prediction of categorical personality disorders.

### Cross

Years of totalitarianism have resulted in a fear of saying what one truly believes. The aggregate ratings were highly reliable, with men and women yielding essentially the same profile.

### Who falls for rumor? Influence of personality traits on false rumor belief

Such predictions have found empirical support among North American populations e. While some CCP-controlled media have declared that Xi has no intention to rule for life, there is a conspicuous absence of official commentary about his political future.

### China's celebrates centenary of Communist Party on anniversary of British handover of Hong Kong

Correlations with culture-level variables and national statistics indicated that self-reported gender differences were largest among wealthy Western cultures with individualistic and egalitarian values, where women have greater educational opportunities.

## **China's celebrates centenary of Communist Party on anniversary of British handover of Hong Kong**

A cognitive-behavioral model of pathological Internet use. When, in late 2020, Alibaba founder Jack Ma criticized the Chinese bureaucracy for its ham-handed efforts to regulate complex problems and for stifling innovation, the planned initial public offering of his fintech company, Ant Financial, was pulled just days later.

## **China's Xi may be screwing up as badly as Biden, maybe even worse**

According to the historian Stephen Kotkin in his extraordinary multivolume biography of the Soviet leader, Stalin initially resisted the systematic fawning that soon metastasized into full-blown cult of personality. Surely it is self-demeaning for a large nation with such a long and illustrious past to focus so heavily on its injured emotions, yet there must be some reason s why they do so ad nauseam. Late last week, as veteran China-watcher Katsuji Nakazawa of wrote: The European Parliament has voted overwhelmingly to freeze the ratification process of an investment pact with China — a deal that Beijing six months ago considered a big strategic victory.
