A Sentimental Journey Through France and Italy

It seemed like a one-joke pony: the joke being that the narrator can't hold a narrative thread for more than three sentences in a row.

Read A Sentimental Journey Online by Laurence Sterne

I waiver between like and really like.

Tristram Shandy; and A Sentimental Journey by Laurence Sterne

He writes as if he's very chaste, but he keeps finding himself in compromising situations with beautiful women and he falls victim to his passions.

A Sentimental Journey

An amorphous mass of inconsequential incidents, musings, reminiscences and countless hilarious digressions into side issues of the vaguest tangential relevance, make up this engaging anti-novel which has no beginning, middle or end and is dominated by the authors' vibrant personality which commands the readers' active participation.
