Live at the Village Vanguard, Vol. 1 (The Embedded Sets)

He then decided that he wanted to learn how to improvise and was influenced by the music of Charlie Parker. Not sure how this happened since all of the vinyl reviews of it were so good. There are high points galore in the set.

Wynton Marsalis Septet

This commenced a close working relationship between Thiele and Coltrane that would last for the rest of his time at Impulse! In the grand tradition of the genre, the key here is the interplay between the musicians, not simply the bandleader, though the sharp report of his tone and the volleys of notes he fires off during the more extreme passages will sound more than familiar to anyone acquainted with his work. Rudy van Gelder was a study in near-perpetual motion, following Coltrane around as closely as a bill collector and keeping one of his microphones just inches from the leader's tenor saxophone at all times, even though he had to climb over half the customers to do it.

The levels are actually increasing as the frequency increases, starting at about 3kHz and going all the way to 20kHz. To give an example of this wonderful music, take Track Two of the second CD.

Dayna Stephens Quartet: Right Now! Live at the Village Vanguard (Core Port)

All tracks are also included on his limited edition , and seven tracks were also re-issued in the 1990s on as Volume 3 of LRC Ltd. He attenuates the music still more by draining his virtuoso technique — sanding the shine off his sound, indulging a glossary of false notes, overtones, and vocalisms.

Coltrane at the Village Vanguard

When I ripped it and looked at in Audacity, the problem was obvious. . Otherwise avoid and go for the original label release which also features tracks :India and Impressions in addition.
