Feeding of the Five Thousand

The Word of God contains the answers to bigger questions. God is still in the business of performing miracles for His children! Each loaf and fish is a principal he's learned during those years of confinement and suffering and he shares openly his vision and purpose. These words appear in the music video as well.

Mark 8:1

There they brought a blind man to the Lord. Its primary aim is to teach the story. What really happened is that Jesus preached to the crowd about caring and sharing and they responded by bringing out food from under their robes that they had been hiding from each other.

Five Loaves & Two Fish by François

From your question I see your growth in life. There were none of these—He just no longer wanted to pay any mind to these people who could not follow Him, and at this time His heart was in pain.

The Five Loaves and Two Fish Life by Lisa Cooke

Look at their reaction: They tried to make Jesus a king. .

Hidden Meaning of Five Loaves and Two Fish

The miracle of Jesus feeding more than five thousand men, women, and children is a widely studied miracle. The place was desolate i. The disciples do not have enough food, not nearly enough to feed them all.

Feeding of the Five Thousand

He is still alive, but has little impact on our lives.
