## Barbarian Invasions of the Roman Empire

We ought not to be still inquiring into the fact of our wrongs, but into the means of our defence. And when Harpagos had conquered the Ionians on the mainland, then the Ionians who dwelt in the islands, being struck with fear by these things, gave themselves over to Cyrus.

Odoacer was dead ten days later, slain by Theoderic while they shared a meal. OREG: A543838 DREG: 16Jan90 ODAT: 31Jan62 CLNA: Richard A.

## Thucydides, Book 1

If they had brought plenty of supplies with them, and had persevered in the war without scattering for piracy and agriculture, they would have easily defeated the Trojans in the field, since they could hold their own against them with the division on service.
