The Taming of the Shrew

Although oft-times difficult, it has been my endeavour, as far as practicable, to connect one with another the various passages quoted or referred to, so as to render the whole as readable and as entertaining as possible. Returning to the authors' original manuscripts and letters, expert writers and performers bring their personal insights to these great works.

Written by William Shakespeare, Gent. However, as stated above, the promise of the Turk referred to in the couplet is not about trading privileges or diplomatic immunity; it is a pledge not to aggress against Elizabeth or her country.

Quadrant Model of Reality: Quadrant Model of Reality Book 17 Art

A copybook was a mostly blank book in which students practiced their penmanship, usually by writing again and again a maxim or proverb found at the top of that page. All through the long period of the Plantagenet kings, the lands, titles and dignities of the family were transmitted through a succession of Aubreys, Johns, and Roberts, like so many representatives of a royal dynasty; and, in the reign of the last of the Plantagenets, Richard II, the Earl of Oxford, who was the royal favourite, was created a Marquis, being thus raised above all the rest of the nobility and ranked next to the King himself.
