19 Jun 2007: Written answers

The common law is judge-made law. That imposition could only be properly described as a tax, which could not be levied except by direct statutory means.

Constitutional Archives

The sixth claimed on his own. All industrial uses shall adequately accommodate all of the truck and vehicular circulation, parking, storage, and loading operations on site. If it wins control, GPG plans to negotiate the end of a joint venture between Power and Carlton and United Breweries, and then liquidate Power or 'otherwise return funds to shareholders'.

A Short History of Technical Education

Also, advertisers do not want to see new cartels and monopolies develop within the ITV system when we have only just got rid of the old monopoly structure, which did so much harm. Hermann Johann Philip chemist, physicist and inventor born died 1906. Already in his office, he whipped up the telephone on the first ring.

Peterborough

Held: Member states are obliged to. Normal School of Science opened-later became known as the Royal College of Science.

TRAVIS PERKINS PLC trading as Toolstation

Others, they like something a bit more modern. To ask the Secretary of State for Health what the average salary of staff working in her Department was in each financial year since 1997-98.
