### Discover God Study Bible

NIV, is the most liberal I would personally go. This is easy to read with explanation on each page, maps and Jesus' words in red.

For instance, it is clearly His plan that we abstain from sexual immorality. God's unchanging purpose gives you eternal significance.

### Tyndale

It is not His will for you to take the job that is not offered to you. In addition to listening to the Spirit, I also recommend listening to your heart. He even did that for the Apostle Paul and his enterouge in Acts.

### Discover God Study Bible

Every note and feature draws the reader to a deeper understanding of who God is and how He can transform their life. The person of Jesus is written all over Scripture. It has a great looking chestnut brown faux leather cover and the words of God are highlighted in red.

### Study

### Discover God Study Bible

### **8 Steps to Knowing God's Will and Plan For Your Life**

The New Living Translation is not my favorite version of the Bible but it is excellent for those who want a version that they can understand without it being paraphrased by an author.
