

# Canadian Elemental Sulphur From Sour Natural Gas.

s.n - Sour gas

Description: -

-Canadian Elemental Sulphur From Sour Natural Gas.

-  
Canada Mineral Information Bulletin -- 121 Canadian Elemental Sulphur From Sour Natural Gas.

Notes: 1

This edition was published in 1972

Filesize: 51.510 MB

Tags: #US8696791B2

## Natural Gas Composition and Specifications

This makes pinpointing the source very difficult, if not impossible.

**US8696791B2**

They are mainly located in Western Canada.

## Sulphur Polymer Production Technology

. The same source projects that fossil fuels will account for more than 75 per cent of total energy supplies in 2035.

## Natural Gas in Canada

This Redox process allows complete removal of  $H_2S$  in natural gas with a resulting by-product of organic elemental sulfur and water. The presence of hydrogen sulfide and carbon dioxide in a natural gas contribute to shrinkage factors that may approach 50%.
