## Our Housing Heritage: John Wheatley

Today the Waterford man is remembered in the John Wheatley College in the east end of Glasgow and the Wheatley Housing Group, Scotland's largest social landlord. Wheatley intended to eliminate the housing shortage within a decade, with house building rising from 135,000 per year to 450,000 houses per year in the final year of his plan. Along with Maxton now Wheatley's leader in the ILP he became one of the Labour-left's leading critics.

## John Wheatley, Catholic Socialism, and Irish Labour in the West of Scotland, 1906

Synopsis First published in 1987. The Act increased the government subsidies to be paid to local authorities to construct municipal housing for rent for low paid workers from £6 to £9. A critical supporter of Ramsay Macdonald, Wheatley was appointed Minister of Health in the first but short-lived Labour Government of 1924 creating what is arguably its greatest achievement - The Housing Financial Provisions Act of 1924.

Wheatley held strong views against birth control and refused to support the campaign.

## **John Wheatley**

In 1876 the Wheatley family left Waterford for Scotland. He refused to support many of the measures proposed by MacDonald's government. Journal Information It is only when you see a complete set of Saothar, which first appeared on May Day 1975, sitting on a library shelf that you appreciate what an achievement for the Irish Labour History Society ILHS the journal is.

### **John Wheatley, Catholic Socialism, and Irish Labour in the West of Scotland, 1906**

The delegation asked for two things: that institutions under Ministry of Health control should give contraceptive advice to those who asked for it; and that doctors at welfare centres should be allowed to offer advice in certain medical cases. John Wheatley, the Glasgow Observer, and the Roman Catholic Milieu 3.

### **Staff View: John Wheatley, Catholic socialism, and Irish labour in the west of Scotland, 1906**

Journal Information The Historical Journal, celebrating the publication of its 50th volume this year, continues to publish papers on all aspects of British, European, and world history since the fifteenth century. His father like many men in the area worked in the mines along the copper coast. This is remarkable given the almost total absence of any academic base for the subject in 1975.
