Many of the prayer points that the mothers prayed were about the Male's carelessness and ignorance on the original authority that God has given to man. Then, you can warn them about the danger of the fire and turn them away to follow you along another path! Seraphim has a team of people who are comparing it against the published text from the Church of Greece and correcting it to that. He, the invisible, the lofty and the incomprehensible, is preceded by no cause but rather is the Originator of the cause of causes.

Here are a few of the false teachings that, we should note, are rejected by the mainstream of the Messianic Jewish movement. But there are many languages in the world—if you go to Ethnologue, you can read which ones—that are in danger of becoming extinct. The language of instruction at the high school seminary is in English, but for most of the students—I might say all of them—English is a second language, and they vary in their ability to understand and to speak English.
