Lewis Latimer Awarded First Patent

His dissertation entitled Incandescent Electric Lighting—Practical Description of the Edison System, was also published in 1890 by D. In 1894, Latimer pursued a patent on a safety elevator which prevented the riders from falling out and into the shaft. In 1880 Latimer began working as a draftsman and assistant manager for Hiram Maxim, who was a founder of the U.

Lewis Latimer

The Maxim Man In 1880 Latimer began work as a mechanical draftsman for Hiram Maxim, an inventor and founder of the U.

No, a Black man didn't invent the light bulb. But Lewis Latimer made it better

Drawings of inventions were needed before patent applications were submitted to the U. Dog Encyclopedia realizes that owning a dog is like adding a new member to your family.

Meet Lewis Latimer, the African American who enlightened Thomas Edison

When he's not busy being an editor, he is an avid artist who enjoys painting in a variety of styles. However, shortly after arriving in Boston, Massachusetts, he was recognized as a fugitive and jailed while his wife was taken to a safe hiding place.

Lewis H. Latimer (1848

Latimer's drawings in this medium were as beautiful as works of art. During the ceremony, a painting of Latimer was presented to his grandson, Gerald Norman, Sr. Lewis Howard Latimer was born on September 4, 1848, in Chelsea, Massachusetts, a suburb of Boston.
