Swastika Night Summary

Hermann jumped like a man suddenly wakened out of deep sleep. Hermann stopped walking down the farm road and turned round to face Alfred.

Columbus Ohio Haunted House Owners Apologize for Swastika Night

So what does the destruction of history have to do with the Reduction of women? For one, the plot was dry and not well-paced, at all. Otherwise the crime is committed again, and we shall be a mess. I believe, sang all the men and boys and the Knight in unison, in God the Thunderer, who made this physical earth on which men march in their mortal bodies, and in His Heaven where all heroes are, and in His Son our Holy Adolf Hitler, the Only Man.

Swastika Night Summary and Analysis (like SparkNotes)

Hermann turned round and sat down gratefully to resume his contemplation of the golden-haired chorister.

Book Reviews, Sites, Romance, Fantasy, Fiction

As a book I'd never even heard of before, I can safely say this one has taken me by surprise! The hair had all been pulled out, leaving nothing but a ghastly red skull-cap of blood.

Swastika Night Summary and Analysis (like SparkNotes)

That was the temper of Germany in hysteria. They shaved their heads till they bled, they rejoiced in their hideous uniforms as a young Knight might rejoice in his Robe of Ceremony, they pulled out their front teeth until they were forbidden for reasons of health, and they gave up their baby sons with the same heroism with which they had been used to give their grown sons to war. Because he was better at having a penis than we were.
