## GENDER AND LEADERSHIP IN UGANDAN RADIOS: A CASE OF SELECTED FM RADIO STATIONS IN KAMPALA DISTRICT

Second, broadcasting is uniquely accessible to children, even those too young to read.

### The History of Canadian Broadcast Regulation

Moreover, in 1984 the Commission enacted amendments to its radio and television broadcasting regulations prohibiting the broadcasting of abusive comments and pictorial representation relating to race, national or ethnic origin, colour, religion, sex, age or mental or physical disability. In August, the Quebec National Assembly's commission on education, cultural affairs and communications meets to address the issue of regulatory guidelines for cable.

### Chapter X

Spectrum shortage is thus no longer a technical problem but only a man-made one. It also outlines three major policy areas to focus on which include: a increasing English Canadian programming especially variety and drama during prime-time hours; b fairness and access issues, and c new technology.
