Hence, we need to re-green the deserts, no mean feat given the climate trend, and we have to switch from agriculture argue-culture to agroforestry agree-culture.

The Great Change: Climate and the Khans

Sigismond, the Hungarian king, was the son and brother of the emperors of the West; his cause was that of Europe and the church; and, on the report of his danger, the bravest knights of France and Germany were eager to march under his standard and that of the cross.

It is probable, that they have been translated, with various latitude, from the Turkish original into the Arabic and Persian tongues.

LEONARDO OLSCHKI: Guillaume Boucher. A French Artist at the Court of the Khans. With ten illustrations and a map of Asia. VIII + 125 pp. Baltimore, The John Hopkins Press 1946. , Oriens

Necessity and revenge might justify his predatory excursions by sea and land: he left nine thousand five hundred men for the guard of his fleet; and persevered in the fruitless search of Cantacuzene, till his embarkation was hastened by a fictitious letter, the severity of the season, the clamors of his independent troops, and the weight of his spoil and captives. But the Ottomans soon returned with an increase of numbers; and the intrepid Boucicault, after a year's struggle, resolved to evacuate a country which could no longer afford either pay or provisions for his soldiers. Ordering defectors to build ships, the Mongols began attacking the coastal islands from 1255 on.
