Twentieth

Gwynn became aware of each other when their poems started appearing in little magazines such as Sparrow.

The Poetics of the New Formalism on JSTOR

American poets have few resources to create a dynamic between the interior world and the exterior, the personal and the social. You complain that the machinery of sudden death.

(2.2) New Formalist Poetry :: Anglistika

The New Formalists, though relatively few in number compared with practitioners of free verse, were a vocal and articulate minority.

(2.2) New Formalist Poetry :: Anglistika

Clearly, we are dealing with an openly racist mindset. Members of a generation born in the 1940s and 1950s, many of them were professors, critics, translators, and editors as well as poets, and they were connected with periodicals such as The Hudson Review, The New Criterion, and The New England Review.
