**Transforming Mozambique : M. Anne Pitcher : 9780521052689**

Not only does it provide important insights into the most significant economic changes that have taken place in that country in the last twenty years, but it also offers a sensible perspective on a debate that has become overly ideological. Територијата на Мозамбик за првпат била истражена од европеец во година од страна на , додека истата таа територија била колонизирана од во година. Половина жители на Мозамбик живеат под линијата на сиромаштијата.
