New York Central Steam Locomotive Roster?

Louis, Louisville, Cincinnati, Columbus, and another link to Chicago.

New York Central System Steam Roster, 1944

In an effort to pay for this public works project, the state restricted railroads from handling the more lucrative freight movements or do so by paying a toll.

Steam Power of the New York Central System. Vol. 1 Modern Power, 1915

The Central rebounded well during World War II and felt so good about its future prospects that it ordered 420 new lightweight, streamlined cars in 1945 to overhaul its passenger fleet. Unfortunately, this particular locomotive suffered a boiler explosion at Canastota, New York in September of 1943. It proved how successful railroads could become, moving many passengers, despite the state regulations placed upon it.

New York Central System Steam Roster, 1944

It also reached Detroit, southern parts of Michigan, and Oil City, Pennsylvania. . Any further corrections will be appreciated.

SIGNED! Steam Power of the New York Central System. Vol 1 Modern Power 1915

Like most such projects it struggled financially and went through several name changes but by the early 1890s had largely been completed as intended. He was born in 1794 and at the age of 16 began his own ferry service between Staten Island and New York City.
