The life of Nathanael Greene, major

On 22 June 1775, he was commissioned as the youngest brigadier general in the Continental Army. Then, he closed his lines and held the British at bay until nightfall which gave the main force time to withdraw from the field. Publisher Information The South Carolina Historical Society, publisher of the South Carolina Historical Magazine, is located in Charleston.

Nathanael Greene

The British then retired, occupying a thin coastal zone from Charleston to Savannah that could not supply enough food or forage.

The life of Nathanael Greene, major

Greene and his men would face the most able of the British generals, Lieutenant General Charles Earl Cornwallis.

The life of Nathanael Greene : major

Greene lived a quiet life as a blacksmith in his father's iron foundry before the war. New York: Hawthorn Books, Inc. Any type of Customisation is possible with extra charges.
