Centralization of the means of production and socialization of labor at last reach a point where they become incompatible with their capitalist integument. In repertory and production practices the theatre became more conservative than, for example, the Moscow Tiuz see chapter 6.

Moscow Theatres for Young People: A Cultural History of Ideological Coercion and Artistic Innovation, 1917

This may also be due to the authoritarian role of the artistic director.

Romashov, Boris Sergeevich

However, with the rise of Glasnost, all these statements were systematically contested. Roshal described the production as full of playful and open theatricality. In 1939 the fixed-company repertory system was adopted throughout the USSR.
