Welcome

Drug addiction is one of those dilemmas that demand hands-on attention from people who live close by. Then again, this is Kentucky, a state not exactly teeming with tie-dye and vegan brunches.

Arts and culture being 'systematically removed from UK education system'

The air here is at a near constant 2:1 ratio of marijuana smoke to actual life-giving oxygen, and were it not for the sea breeze, the stoned population would get nothing done. Percentage change in all fatal drug overdoses from the 12 months ending in June 2019 to the 12 months ending in May 2020.

10 Utopian Intentional Communities with Distinct Values

The coronavirus pandemic and an influx of fentanyl have driven record drug overdose deaths in the U. Papunya Tula Artists provided the following example of the support provided to the local community: Over the last six years, PTA has funded the establishment of a remote renal dialysis unit at the Kintore community.

Chapter 3

Centers like these, like rural homesteading communities, offer the benefits of peaceful, quiet, beautiful settings, as well as the opportunity to serve others, and to take many courses and workshops onsite.

Chapter 3

The report, Challenges Facing Rural Communities and the Roadmap to Ensure Local Access to High-quality, Affordable Care, underscores the

importance of local access to essential health services, as well as the economic impact rural hospitals have on their communities.

Rural Intentional Communities

Democracy Each member has one vote in making decisions on important matters such as housing charges, the election of directors and the regulations members will be expected to follow. The role of Art Centres incorporates the economic, social and cultural, all of which provide significant benefits to Indigenous artists and the community.

Arts and culture being 'systematically removed from UK education system'

Covering not only how to partake in different creative, artistic processes but also learning about the significance of materials and ideas that are being explored. This is not true of tenants who usually do not have the opportunity to exercise responsibility. Lama Foundation, Ananda Village, and Abode of the Message are spiritual communities as well as retreat and conference centers.
