CASE OF THE DANCING SANDWICHES by Fredric BROWN

Extensive enquiries have failed to locate Leela McDougall and there are concerns for her safety and welfare. It's a great collection of the master at his best. Fred joined the Milwaukee Allied Authors club and started writing for trade magazines, mostly humorous short stories, and mostly in his spare time as he held odd jobs.

Hank the Cowdog

The factory was evacuated, but only two insects were found, and there were no hazardous chemicals on the premises that could cause such a reaction. In 1962, a woman working at a textile mill in the southern United States suddenly developed a rash and fever, claiming to have been bitten by a June bug.

Who was Emmett Till?

Unlike most of Hank's crushes, Missy actually considers him cute. But we don't need it in this case: along with layers of ham, Swiss, pickles, and mustard, there's also the super juicy slow-roasted pork loin that we marinate for 2 hours in a citrus blend.
