To them, the war was deeply personal. On January 29, 1991, Saddam Hussein hurled three crack armored divisions into Saudi Arabia, determined to stop the American attempt to liberate Kuwait before it began. They explore, for instance, the history of relations between Iraq and Kuwait, revealing that Kuwait had once been a part of Basra in southern Iraq during the Ottoman rule, and only became a separate country while under British control it was the British in fact who drew the much-disputed boundary line between Iraq and Kuwait.

This striking case of blowback allowed the Iraqis to begin surreptitiously staging vehicles and equipment in southern Kuwait without setting off any alarms at the Coalition high command in Riyadh. They make minimum wage and spend months and years away from their families.

Useful books about Operation Desert Storm

Contrary to popular view, it was a soldier's war not much different from previous conflicts in its general nature. It offered the Coalition an indication of the manner in which would be fought, but also hinted at future friendly-fire casualties which accounted for nearly half of the U. During their sixty-day tour together, Carlo alerted to 167 caches of explosives, some rigged to explode on contact.
