A Choir of Ill Children

Thomas is the descendant of the founders of Kingdom Come, a backwoods and backwater swamp town. Perfect caps that are not too white or too large, and the tip of her tongue constantly works across the glossy upper lip.

A Choir of Ill Children

If you're looking for an easy read, this is not the book for you.

A Choir of Ill Children by Tom Piccirilli: 9780553587197

The choir is dedicated to meeting the needs of children who love to sing. In addition, I have little idea what's going on. Because of his family's prominence, Thomas is feared and respected by the superstitious swamp folk.

Detailed Review Summary of A Choir of Ill Children by Tom Piccirilli

That lack of fearfulness ma This is the first novel-length work by Tom Piccirilli I've read, though I have read quite a few of his shorter works and some of his poetry. There's two documentary film makers who live with the MC with the idea of doing a movie about the brother. Meanwhile a love triangle blooms at KCPO: Hard-bitten, irresistibly handsome, former war correspondent Johnny is clearly smitten with Tully.
