### Reminiscences

Yath Gathva Na Nivartanthe tath Dhama Paramam Mama. That is why the Maharshi seems so natural, so simple and human in his ways, why he laughs and talks freely and shows interest in all that goes on around him. But his eyes shone as bright as ever and his grace continued to flow towards all beings.

### 202 Reminiscences about Sri Ramana Maharshi

Let it have its natural end. The doctors suggested amputating the arm above the affected part. Then he turned to us and, pointing to one of them, said: 'This She-squirrel has been trying to fool me, thinking I do not recognise her, and so shall feed her.

### 202 Reminiscences about Sri Ramana Maharshi

But to this one he refused to give again and, seeing it persisting, he lifted his fan in threat, which made it disappear at once. He would see to it that they were fed properly and well.

### A Sadhu's Reminiscences of Ramana Maharshi

Self-enquiry does not mean focusing on the physical heart or on any other part of the body or on any object whatsoever. Nevertheless, it did occasionally happen that something disturbed the peace and happiness for a while.

### Sri Ramana Maharshi

Annamalai Swami worked hard for many years to realize the Self, making his advice especially useful to seekers for whom Self-realization does not come easily.

### Reminiscences

Store closed due to corona outbreak. The author describes this relationship with candor and in detail. Simple dressing of the affected part will do.

## **Sri Ramana Maharshi World Bookstore**

He opened his luminous and gracious eyes for a brief while; there was a smile; a tear of bliss trickled down from the outer corners of his eyes; and at 8:47 the breathing stopped.
