## Peonies: Peony Bush, Peony Care, Growing Peonies

Every garden deserves peonies and every gardener should include them. The 7 to 9 inch blooms arrive in late spring and are lightly fragrant.

## Peony

We recently moved to Florida and want to grow peonies like we did in Connecticut. Incorporate about one cup of bonemeal into the soil.

## Peony, Perennials, Paeonia

Learn more about from the experts at Breck's! These perennials excel when planted in full sun to partial shade, and when they're established, they are astoundingly long lived. Their form is actually more like a shrub than a tree.

### 3 rules for growing perfect peonies

Makes a stunning specimen in the early summer garden. The section Onaepia only includes P. Other recommended selections include the following.
