A Outline of History: Being a Plain History of Life and Mankind 2 Volume Set by Wells, H. G.: Very Good

I had next to no historical understanding of the world before reading this and now I feel that I understand the basics. In later editions , the author's son, updated the early chapters about to reflect current theories: previous editions had, for instance, given credence to before it was exposed as a hoax.

The Outline Of History, Being A Plain History Of Life And Mankind (Fanny Bixby Spencer Copy) by Gilbert Murray (Ownership Signature Of Fanny Bixby Spencer) E. Ray Lankester

As with any history it was hard to read at times, perhaps mostly from my own disinterest in that particular time and place but on the other hand there were more than a few times I needed delved into further with additional reading material. Volume II of Wells' bestselling two-volume work, The Outline of History 1920 , which began a new era of popularized world history. Sales within California and many other states are now subject to sales tax.

The Outline of History, Being a Plain History of Life and Mankind. Written with the Advice and Editorial Help of Ernest Barker [And Others] : H G Wells : 9781172840106

He paints a portrait of a woman pursuing her right for acknowledgement, and let down by a legal system that heavily favoured men at that time, both in Canada and in the UK. His wife Catherine Jane agreed to be his collaborator in typing, research, organisation, correspondence, and criticism. Somewhat dated the survey ends with 1920 and the aftermath of World War One and a final chapter with Well's speculation of future history.

The Outline of History, Revised / Being a Plain History of Life and Mankind, Complete in One Volume, H. G. Wells

While it is very interesting to read anyone who essays such an ambitious project, Wells' work pales in comparison to the Durants'. This is a reproduction of a book published before 1923.

The outline of history, being a plain history of life and mankind : Wells, H. G. (Herbert George), 1866

He was a popular writer but not a historian. He subtitled it, Being A Plain History Of Life And Mankind, and I think that really is a good explanation for why it sits on the top shelf of my history collection. Reading his take on the beginnings of humanity, including the formation of the universe and life's beginnings as swamp slime was fascinating to me.

The Outline of History Being a Plain History of Life and Mankind, Partial Set in Parts.

Wells used his international fame to promote his favorite causes, including the prevention of war, and was received by government officials around the world.

The outline of history (1971 edition)

This book has very much changed my understanding of the world.
