### New England Historical Genealogical Online • FamilySearch

High-definition, color fire insurance and historical maps for Michigan Main Library only US military records, including stories, photos, and personal documents. Also check the online catalog for available family genealogies, ethnic, businesses, churches, synagogues, organizational and neighborhood histories. OCLC is a national catalog used for interlibrary loan purposes among other things.

### Repository:New England Historic Genealogical Society

Catalog of the National Genealogical Society. Genealogies acquired at NEHGS 1900-1940. Irish Ancestors Created by John Grenham, aims to provide a single reference source for any records needed to research Irish Ancestors, as well as being a starting point for those with a surname historically found in Ireland.

### New England Historical Genealogical Online • FamilySearch

Their digital archive includes more than 1. Billions of international genealogy records, including census, death, marriage and military records.

### Using The NEHGS Library

There are ALWAYS some manuscript and pamphlet holdings that are not accessible via catalogs.

### Genealogies

Increasingly, digital databases have become an important complementary resource to print materials, and the Society now offers on-site library patrons free access to a selection of subscription-only digital databases via the public access computers in the library. All Family History Centers of the Mormon Church have a catalog that lists many of their holdings in Utah.

Preparing for Your Visit to NEHGS Live broadcast: May 26, 2015 Presented by: Jean Maguire Level: Beginner Running Time: 50:35 Description: While some NEHGS resources are now available online, a visit to our acclaimed research center in Boston can yield amazing results. Genealogical and Local History Books in Print.

## New Hampshire Historical Society

Copies of Massachusetts divorce records are available from the probate court where the divorce was obtained. Our expert staff can also conduct research on behalf of family historians, providing authoritative, documented research reports and family tree charts. They have published town and county histories of New England, social histories, vital records, family histories, and major indexes.
