Auden called 'the conscious acceptance of guilt in the necessary murder'.

Review: Eastern Question, Western Answer on JSTOR

Since 1922, the Council has published Foreign Affairs, America's most influential publication on international affairs and foreign policy.

The Wrath of Nations: Civilizations and the Furies of Nationalism by William Pfaff, Paperback

Resisting the centripetal pull of internationalism, nationalism is a visceral, centrifugal reaction that defies and disrupts civil relations among states: its examples include the carnage in Bosnia. His vision on the future of mankind is rather pessimistic. We should not underestimate the dangers we face.

The Wrath of Nations: Civilizations and the Furies of Nationalism by William Pfaff, Paperback

It forced Soviet armies out of Afghanistan and Eastern Europe, and eventually led to the downfall of Communism. I argue that there is much confusion at the conceptual level. Pfaff, "the Second World war was more threatening as an indicator of what might lie in the future.

Will God's Wrath Fall on America?

Recommended for academic and larger public libraries.
