Transactions between related parties

In this case, the distribution would be deemed to continue until the time that all the excess shares were sold. The following provides some guidance on the collateral description changes.

The New Governing Law for Perfection Under Revised UCC Article 9

Moreover, when sales off a shelf by an issuer, or by any affiliated purchaser, constitute a distribution of securities, an issuer and all its affiliated purchasers are subject to the applicable restricted period under Rule 102.

Exempt Transaction Definition

The restricted period would continue until the later of i execution of the definitive acquisition agreement or ii the end of the valuation period. Second, if the security interest is claimed solely by virtue of the letter of credit being a supporting obligation for original collateral, the governing law is determined by the rules related to the original collateral. Section 9-302 provides that the local law of the jurisdiction in which farm products are located governs the perfection, effect of perfection, and priority of agricultural liens on the farm products.
