Some recent scholarship has attempted to treat newly emergent broadly neo-pagan religious observation as primarily a matter of practice rather than theology.

Contesting Christendom: Readings in Medieval Religion and Culture

The map that takes into account sensual supernatural parameters mixes different domains of authority: the purpose research into paranormal, planning of the buildings or residential area , the position of the medium the one who draws the map or holds the map , the practice and use of the maps maps as the guides for different actions and inquiry. The Development of Christendom Chapter 8.

Contesting Christendom

Dominion of God: Christendom and Apocalypse in the Middle Ages. Readings from Christian, Muslim, and Jewish Sources.

Religion, Culture, and Communication

Buenos Aires: Espasa-Calpe Argentina, 1945.

Contesting Christendom : Readings in Medieval Religion and Culture (2007, Perfect) for sale online

Because the readings deal with religion from social and cultural perspectives, it will be valuable even in courses that are not specifically focused on religion.

Table of contents for Contesting Christendom

The volume covers various realms of the supernatural, such as ghosts, spirits, mediumship, magic, energy lines, divinations and previous lives. The Catholic Church fell partly into general neglect under the Renaissance Popes, whose inability to govern the Church by showing personal example of high moral standards set the climate for what would ultimately become the Protestant Reformation. Future Lines of Inquiry Research into the links among religion, culture, and communication has shown the vast complexities of these terms.
