The South Centre

The principle of sovereign immunity from jurisdiction and execution regarding sovereign debt restructurings is a right of States before foreign domestic courts and exceptions should be restrictively interpreted.

Insolvency and Debt Resolution

The EU stressed that the IMF is the appropriate institution to host global discussions on the subject. Individuals hoping to restructure their debts can hire a debt relief company to help in the negotiations.

Insolvency and Debt Resolution

He joined a multinational private consultancy group in Australia, as their general manager finance ; in this role, he guided the group through a period of major change and financial turnaround. Our debt restructuring attorneys routinely negotiate, document and successfully implement forbearance and debt restructuring agreements, and exit financings and successfully litigate stay relief and cash collateral issues.

Insolvency and Debt Resolution

However, the resolution only represents the first step of a process to address external debt in all its manifestations. However, they expressed a commitment to work towards achieving a solution.
