## Tales of Phantasia

Aside from that, we get a very superficial mention of the Norse myths that takes up maybe the last 5% of the book. She was born in Dresden in 1867 but grew up in Connecticut and Pennsylvania, where she also got her BA and MA degrees for which she won the Mary E. .

## Story Index

All her knowledge came from classic literature; she has never been to Greece, and never participated in archaeology.

## Story Index

There are reasons for the re-invention of the Sigurd story that are not entirely pleasant, and the re-invention of that story as the Wagnerian Ring Saga in opera. For those wanting only non-English tales, please visit the page.

## Mythology by Edith Hamilton

And how can we not mention Star Wars? And I just wanted to say that this edition is GORGEOUS. And no, I am not suggesting anyone who says they love this is a liar.

## Story Index

The company then released a series of drama CDs in 2006; it contain six CDs each featuring one of the playable characters of the game.
