The Britannica Store

The environment or culture of an

organization needs individuals of character who can follow their conscience and experience moral conversion. When the person concentrates on the means used to achieve an end, eventually the means become a way of life even more important than the end itself.

The History of Western Ethics

It was not through power but weakness, not through glorification but through suffering that the Messiah was made known.

History of Western Ethics on the App Store

All major ethical schools are pretty close, just in your pocket.

A Comprehensive History Of Western Ethics: What Do We Believe? by Warren Ashby

There was no development of a moral theory based upon reason or philosophical analysis. The eloquent self-defense he put forward at his trial is captured in the Apology, Plato's other most famous work though the extent to which the Apology captures Socrates' precise words is unknown.
