We appreciate your understanding of the
imperfections in the preservation process,

and hope you enjoy this valuable book. This work is in the public domain in the United States of America, and possibly other nations.

Flitters, Tatters, and the Counsellor: And Other Sketches (Classic Reprint): Laffan, May: ne-x.uni.rf.gd.au: Books

The red pile of Salisbury Crags glared with a hot lustre above the green slopes of the hill, and in the soft white dust of the highroad a million tiny stars seemed to sparkle and twinkle to Baubie Clark's eyes. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc.

Flitters, Tatters, and the Counsellor: And Other Sketches

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. The ragmerchant, who was also a second-hand clothes dealer, had packed and tied up one donkeyload, and smoked lazily as he watched a couple of girls finger the odd lengths of coloured cottons and stuffs which, with queer old gowns and faded shawls, the cast-offs probably of English peasants, formed his stock-in-trade. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public.
