The Rockfellers' Chinese Export porcelain

Discoveries of porcelain on such a large scale prove that India was a great market for Chinese ceramics. I will tie a red ribbon around the necks of my year-round bunnies for a festive display.

Soft

A factory started in Venice, Italy; the Dutchman Du Paquier set up competition in Vienna, Austria; and after a period of only a few years, porcelain was being produced throughout Europe. If you would like to write a letter to the editor, please forward it to. I of course, have to have a section on - the legend! All over India, porcelain has been found during explorations and excavations, but due to paucity of exploratory works in North-eastern part of India, evidences of porcelain are meagre in the region.
