## Samuel French - 'Capitani' Netflix Review: Stream It Or Skip It?

I said, "Is that who I think it is?"

"Yes. So now you know at least some of the sighting stories are true. But don't call him by his name. Call him Bubba! Something went wrong when he came over—from human to vampire—maybe it was all the chemicals in his blood."

"But he was really dead, wasn't he?"

"Not . . . quite. One of us was a morgue attendant and a big fan, and he could detect the tiny spark still left, so he brought him over, in a hurried manner."

"Brought him over?"

"Made him vampire," Bill explained. "But that was a mistake. He's never been the same from what my friends tell me. He's as smart as a tree trunk, so to make a living he does odd jobs for the rest of us. We can't have him out in public, you can see that."

I nodded, my mouth hanging open. Of course not. "Geez," I murmured, stunned at the royalty in my yard.
