## Fire and the Rose by Arthur Bryant

George's anniversary Star Trek tale, this of course centered on the Enterprise's legendary First Officer. Not much later while staying with Bertrand Russell, Russell first had a brief affair with Vivien and then warned the young Eliot that his wife was mentally unstable.

## Crucible: Spock

Through growing consciousness, sexuality and spirituality can support our efforts to live more passionately and to understand love in all of its forms. His wise counsel, to live the paradox of freedom through honest engagement with the shadow, is the Ariadne thread of a mature anima.

## Spock: The Fire and the Rose by David R. George III

Also of note here: Spock's father, Sarek, takes a noticeable role in the story, and the evolution of father-son relationship is perfectly and amazingly sometimes surprisingly described. England would become his home. One of his uncles, Thomas Lamb Eliot would be the founding minister of the Unitarian church in Portland, Oregon.

## The Fire and the Rose

And there, whatever we thought, however we were led into that place, we lose the certain and instead move into a subtle and vast not knowing, of opening our minds and vastly more important, of opening our hearts.

A word about accessing the poem: It is under copyright until 2039 or thereabouts, but it is available on-line.

## Rose & Fire

After a brief introduction, the initial chapter is devoted to an in depth analysis of Derrida's major texts. When are you going to do that Eliot sermon? He previously visited DS9 in the novels *The 34th Rule*, set during the timeframe of the series, and in *Twilight*, set after the finale.

### **The Fire and the Rose**

And what we should do, we do not do. .

### **The fire and the rose: The deconstruction of T. S. Eliot**

My colleague the Reverend Roger Fritts wrote a substantive biographical sermon about Eliot, to which I owe a considerable debt for my own reflection here. This is the same desert any of us will encounter if we look for the purpose and meaning of our lives. .
