## Former Maple Leaf clinician faces sexual harassment charges

Art in Landscape, traveling exhibition organized by Independent Curators International, Washington, D. Maple Leaf Farm Executive Director Catey Iacuzzi testifies to lawmakers in 2016. In the tradition of the best storytellers, Simonds created a unified legend of him and the Little People that the people in the Lower East Side could gravitate around and yearn for while at the same time collectively mourn the absence of its evidence.

## The PsychCrime Database

This is exactly what Simonds feared with his first Whitney inclusion and label.

## Charles Simonds

We would organize a class, and I would go to the classroom and show some pictures of my process and how to make bricks. Then we went to his hard, black, geometrically cut stone quarry above Montclair. Then I explained how I thought about the Little People.

## Simonds Homes tycoon Mark and family investigated by NSW Police

Once inside, he provides the documentation of his work and the interpretive records of others. Both dwelled in them only as long as they were being built and vacated them upon their completion.
