### The Freedom of Information Act

While Panama's economic growth rate is among the highest in the hemisphere, the country faces the challenge of making this growth more inclusive. The African National Congress ANC and its offshoot, the Pan Africanist Congress PAC, both of which envisioned a vastly different form of government based on majority rule, were outlawed in 1960 and many of its leaders imprisoned.

### Office of the Historian

This set the stage for successive administrations to quietly support the Apartheid regime as a stalwart ally against the spread of communism.

### Languages

Years of violent internal protest, weakening white commitment, international economic and cultural sanctions, economic struggles, and the end of the Cold War brought down white minority rule in Pretoria.

### International Travel

You are about to visit: This site is managed by the U. External links to other Internet sites and listings of private entities on this page are provided as a convenience and should not be construed as the U. The FOIA does not require agencies to do research for you, answer written questions, or in any other way create records such as lists or statistics in order to respond to a request.

### Secretary of State John Kerry

Records falling within exclusion are not subject to the requirements of the FOIA. Art in Embassies fully insures each shipment of art door-to-door and on location. The United States and Panama work together to advance common interests in improving citizen safety and strengthening the rule of law.

### Travel.State.Gov Newsroom

The Cold War then was in its early stages.

### **International Travel**

The Office of Website Management, Bureau of Public Affairs, manages this site as a portal for information from the U. Department of State or U.

### **Office of the Historian**

It undermines national security, distorts markets, and enriches transnational criminals and terrorists, and is an affront to our universal values. These programs can be used to obtain access to a variety of Department records.
