Isle of Wight photographers 1840

These files are PDF and are around 500 pages in length. The work is based on extensive original research and seeks to consolidate information that was widely scattered, or has never appeared in print before.

Landscape photography of the Isle of Wight by Available Light

A copy of the book is held in the reference section of Newport Library. The couple had one child, a daughter named Dora Irene Hillmer, who had been born in Southampton in 1895. Having inherited a good number of unannotated photographs from the Victorian and Edwardian periods, like many other family historians, I was imbued with the desire to identify them.

Isle of Wight Family History Society

It can be purchased from Southampton University.

Isle of Wight Photographers 1850

Kelly's Post Office Directory of Hampshire, including the Isle of Wight, issued in 1867, lists James Scott as a photographer in Monkton Street, Ryde.

Sources

No trace of Fred Stone or his family can be found in the 1881 census return, so it is possible that he emigrated after selling his Bognor studio in 1875.

Isle of Wight Family History Society

The link takes you to the Internet Archive Wayback site as the original TalkTalk service has now been suspended. Site last updated 04 May 2021. There a 5 ways to search for burial records on the site, making it very easy.

Isle of Wight photographers 1840

A truly picturesque part of The Isle of Wight. Also included are details of the monumental inscriptions from CWGC headstones for those men and women who are buried on the Island.

Isle of Wight Family History

When the 1881 census was taken, James Scott was recorded at his new studio at 21 High Street, Ryde. A son named Walter William Hillmer was born in 1878, but he died in infancy.
