Talking Together App

If not managed wisely, culture shock can have a major impact on your life — marital problems, loss of performance and substance abuse are a few of the common dysfunctional reactions. Please note: Volunteers will be required to provide befriending and listening support to adults via telephone or video messaging in the local community of Southend, Castle Point and Rochford. Our Mission Child Trends improves the lives and prospects of children and youth by conducting high-quality research and sharing the resulting knowledge with practitioners and policymakers.

Families Talking Together

They learn concepts and skills related to controlling their own behavior and expressing respect and kindness towards others. A commitment is the acceptance of obligations for participation and protection.
