### Gothic architecture

We also notice only one tower in the center of the church and not the notable two flanking towers. The Gothic art spread through central Europe beyond the Rhine and the Alps reaching Poland and Scandinavia by then the last confines of the European world.

### Gothic Art

This theme is common in the Romanesque period, whether as a linear arrangement with the personifications of the months juxtaposed on either side of the portal or as in the buildings of the west, set out on the arch mouldings around the portal. View to the choir, Amiens Cathedral, begin 1220 In the choir, the architecture appears to float, as if the vaults were suspended above with little to support them.

### Russian Gothic

Right: The Leuven City Hall Leuven, Belgium built in Late Gothic style between 1448 and 1469, it is famous for its ornate architecture crafted in lace-like detail.

Mary and the communal palace of Krakow or Sukiennice Cloth Hall , all located in the same square and offering the view of an extraordinary urban medieval complex.

**Russian Gothic**

The tower of the facade of San St. As a result, most of the Gothic buildings you can see in Lithuania today only developed in the late 15th and early 16th centuries.
