### Fabergé and Russian Decorative Arts

Petersburg has been a centre of innovation in the applied arts. One can use sgraffito image curved through layered colored concrete , stained glass, or colored concretes or enamels. There are millions of ways to express an idea, many to harmoniously embed wall murals into the architecture of a building or public space.

### All Russia, Russian culture

Among other lots are Franklin Mint cameos, sterling animal plates and an etching; guardian figures; pewter classic cars; presidential coins and ingots; crystal and mineral specimens; daguerreotypes; Mexican pottery; postcards; and novelty images of San Francisco. During the nineteenth century a fresh interest in traditional Russian forms arose.

### Museums of decorative art in St. Petersburg, Russia

Products were considered piece of furniture that guests could present as a gift and hope for a hearty welcome. If you'd like to get a Russian Works of Art or Fabergé valuation from our online specialist, simply upload a photograph and tell us any other details you know about the item.

### All

The design motif was based on Russian folk tales and fairy tales, mysterious landscapes, as well as the Russian way of life and traditions. The great example of this shift was Peter the Great, who designed St.

### All Russia, Russian culture

Fabergé also worked magic with hardstones -- a Russian carving tradition dating back to Peter the Great's reign when the rich mineral deposits were discovered in the Urals. The plan is generally that of a Greek cross all four arms are equal , and the walls are high and relatively free of openings.
