The Surprising History of International Women's Day

On the one hand, a 'double burden' is imposed on women--they have to do a day's work for their employer and then come home and work again for their family. Its allies reciprocated, making divorce illegal and banning even information about contraception. This compares with a growth of just 23,000 in male employment over the same period.

women's suffrage

Guns and Rain: Guerillas and Spirit Mediums in Zimbabwe, 1985.

International Years

Her work was valued as less skilled than that of her male colleagues and she was therefore paid less. This education began from the day they started school.

The Lausanne Covenant

Over the centuries the church, particularly in the office of the , had become deeply involved in the political life of western.
