Beanland currently lives and works in East Anglia and his more recent paintings are purely abstract, often in acrylic on newspaper. In particular, parts may have been replaced or renewed and Lots may not be authentic or of satisfactory quality; the inside of a Lot may not be visible and may not be original or may be damaged, as for example where it is covered by upholstery or material. This Condition Report, which is for the use of the addressee only, is provided by Andrew Jones Auctions on behalf of the Seller free of charge.
