## A Concise History of Romania : Keith Hitchins : 9780521694131

Then came the interwar period, only twenty years long, when the modernization impulses accelerated, and then, for forty years, came the Communists, who pursued modernization with methods and goals of their own. The explanation regarding the Trinity is also a bit muddy and it felt like the author was not quite sure how to explain it.

### The Roman Empire: A Brief History

My comments above are made in hopes of improving it further. Djuvara also enjoys---and this reviewer greatly appreciates it---analyzing the etymology of various words and the toponimics, arguing often convincingly for their role in the reinterpretation and re-attribution of historical knowledge. All in all, this is a concise, easy-to-read history.

### A Concise history of Romania (Book, 1984) [ne-x.uni.rf.gd]

Images are critical to a students' grasp of major themes, not just one the flow of events. Read about the wars between Dacia and Rome, barbarian invasions, the assimilation of other populations, the complex history of Transylvania, Moldavia and Wallachia and about great sacrifices made in defense of Christianity.

### History of Romania: A Long Quest for Independence and Unity

In 31 BC Rome overtook Egypt which resulted in the death of Mark Antony and left Octavian as the unchallenged ruler of Rome. A feeling of fairness permeates the writing, see for example the presentation of arguments for and against the Romanian presence in these lands a commonly tabu subject, as several neighboring countries, such as Serbia, Hungary, and Ukraine, have interests in the region.
