How to give your cottage garden the wow factor all year round

These conical or pyramid shaped shrubs can be found in sizes from just a foot tall, to over 35 feet! You can also choose a plain with a water resistant liner, which can be a perfect base for floral gifts. I must re-pot them at some point but I think they quite like it.

EverColor Plants

Read about the EverColor ® History We have been working on this idea of cold hardy easy to grow and colourful plant varieties at FitzGerald Nurseries in Ireland over 25 years.

EverColor Plants

The effect comes from contrasting shapes.

Gardens: Year

They can make for an excellent hedge, as their foliage is thick and dense.

10 easy care evergreen pots for year round impact

And the bark tends to become twisted and gnarled, adding an extra layer of visual interest.
